— AT SALOMONS ESTATE —

“Staff at Salomons could not have been more friendly or professional, they went out of their way to make our wedding weekend stay the most amazing time, thank you to all the staff. The golf buggy trips to and from our rooms to the main house were such great fun. The food at our wedding breakfast was delicious and the buffet breakfast was fab. The staff were incredible, nothing was too much trouble. We will definitely be back soon to stay and in the meantime will have our happy memories to cherish.”

“Thank you to all the Staff at Salomons who helped make our Wedding Day so special for us. The Estate was stunning in its Autumn colour, beautifully kept, the team worked very hard for us and nothing seemed too much trouble from the planning to the day itself. Our compliments to the chef and the staff who served the food to such a large number of guests with the quality as excellent as it had been on our taster day, Afternoon tea was lovely with a beautiful cheese Wedding Cake to follow and an equally welcome evening buffet - not forgetting a breakfast the next morning we heard described as “just like my Mums - very tasty” ! The accommodation suited our needs and being in a separate location proved to be no problem to our party of guest , who varied greatly in age.”

Our wedding host, never made us feel like any question was too big or too small and it felt more like a friend guiding and supporting with all the planning.
